

“Welcome to the Ignite the Faith event

Let’s have you take one of these clipboard connection cards and get you connected to the event so we can know best how to help you today. Let us know at the bottom of the card specifically how we can help you, we would love to pray for you or for any other needs in your life.

Please also NOTE THEIR ZIP CODE on the back of the card

When they hand the connection card in, point out that we have a few different QR codes for the event including the ones noted here ... (Scripture crosses and lyrics for all of the worship songs that will be sung at the event)

After they have filled out the card

- A. Hand them a drawing ticket and tell them to hang on to the ticket as there is a drawing for the items on the white board and that the ticket will also be used as a food ticket at 4p. Hand them an orange wrist band.*
- B. If they checked any of the blue circle boxes in the picture, we will want to introduce them to one of the prayer tent runners who will take over from there. Make sure the prayer runner is introduced by name to them and that they are told the prayer runner’s name*
- C. If they did not check any of the blue circle boxes, welcome them to the event, and tell them they will be followed up with regarding any other noted needs*
- D. Look at the back of the card and read it to make sure you did not skip any opportunity to help them. If on the back of the card, they are asking for help that appears to fall into the prayer tent area, do the steps from item A and B above*

If someone comes up and has a need that is urgent, an emergency, or other type of need that needs immediate attention, please engage one of the adult staff members by introducing them to each other and then say thank you and let the Lord to the rest of the work.
